# ABOUT COMPANY

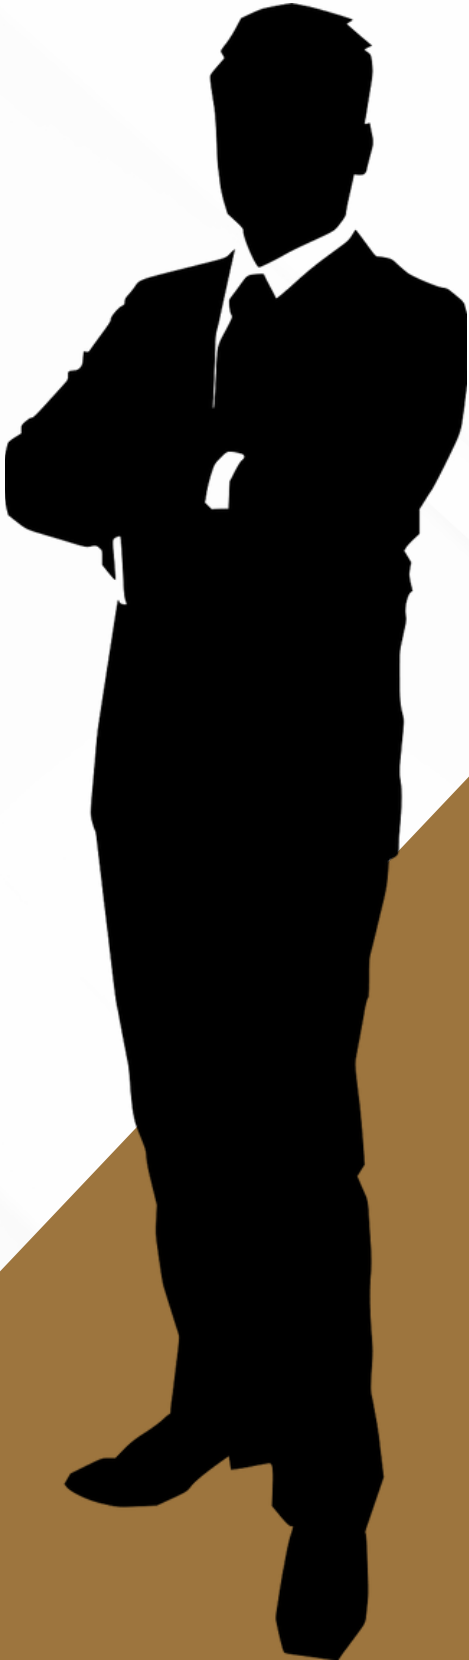

KHD FOODSTUFF TRADING LLC was established in 2018 in RAK & started operating in Dubai in 2022. With time & experience it has become one of the best in the FMCG industry. Further, over the last eight years, we have introduced several in-house brands, featuring products, such as Olive Oils, Sparkling Juices, Coffee Range, Beverages, and several other grocery items.

Our primary goal is to always do better for our customers, our employees, and our company. We plan to achieve this goal by making our clients satisfied with innovation and excellence. Our dedication, uncompromised service, and distribution of over 50+ brands have made us the top supply partner to almost every five-star hotel, catering company, dining restaurant, bakery, hospital, Fine Dining Restaurants, Bakeries & Cafeterias, Quick Service Restaurants, Catering Companies, Hospitals, Super Markets, Hyper Markets in the UAE.

The core values of the company are grounded in providing good service abiding by ethics and maintaining good client relationships.

# MESSAGE FROM THE CEO

WASIM RASOOL  
CEO

---

WWW.KHDFOODSTUFF.COM

## MESSAGE

*Based on the Expertise we acquired in 8+ Years, We endeavor to advance our standards of excellence and surpass the expectations of both Customers and Ourselves.*

# OUR MISSION

*We're always striving to do better for our customers, our company, and our employees.*

# OUR VISION

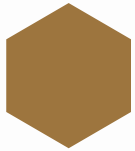

*We aim to fructify this vision by satisfying our client's requirements through innovation and excellence. We create value for our customers by continually improving our brands and services, enhancing their quality and by investing in our relationships with business associates.*

*The vision is to grow as a company which is adaptive and stable in the competitive market. The identity of the company should be distinctive and unique which doesn't necessarily associate with the founder only. KHD FOODSTUFF TRADLING LLC strives to grow as a company that incorporates tools and strategies that shall give them an edge in the competition such as AI.*
